COUNCIL PLEDGES BIG FISCAL YEAR TAX CUT

ELECTION SUCCESSFUL

J.E.S.D. SCHOOLS WIN TAX RAISE

One dollar tax hike ceiling for Jefferson Elementary School District won by a margin of 788 "yes" votes Tuesday as almost twice as many citizens turned out for the critical "second try" election.

With 100 absentee ballots still to be counted, the tax raise carried, 2484 "yes" votes to 1696 "no." Last May when the first attempt for the increase failed, only 2302 of the 18,000 eligible responded.

Only two precincts Tuesday failed to muster a "yes" majority. "No" votes topped the Woodrow Wilson site, 317 to 244, and prevailed at Jefferson, 99-70.

An SOS committee spokesman election night termed the tax win "an indication that the people have faith in the local school system."

Tuesday's outcome means homeowners will pay \$2.17 per \$100 assessed valuation instead of the former \$1.63 rate. The basic increase was from \$1.50 to \$2.04—a flat 54 cents. This means \$19 more a year for the elementary schools from each taxpayer.

The '58-'59 budget will allow the district to abandon its austerity program on classroom equipment and services. Public hearing on the district's new budget is scheduled next Wednesday night, August 4 at 48 Park Plaza drive, second floor, starting at 8 p.m.

Civil Defense Meet

Alerted by events in the Middle East, Daly City's civil defense council will convene this Thursday night in a meeting called by acting City Manager George Watts. The session, open to the public, begins at 7:30 o'clock in the council chamber, Wellington avenue.

Pershing Loan Decision Due Here Next Week

Jefferson Elementary School District officials and residents next Thursday afternoon hope to have a final decision on the behind-schedule loan for purchase of the new Pershing School site.

State Allocations Board will discuss the half-million dollar loan, starting at 2 p.m., in the Daly City Hall council chamber, 75 Wellington avenue.

The state agency has delayed the loan due to San Francisco and county opposition to the proposed school's playground-area "intrusion" on the San Francisco side of the county line. This protest by SF forced Daly City school authorities to modify the site plans.

Supt. H. Z. Weibel, JESD superintendent, said he did not know if San Francisco officials would continue their protest.

Weibel said most of the homeowners on the proposed school land thus far appear satisfied with district efforts for their property at appraisal prices.

YOUNG BANDITS GET \$200 IN STORE STICKUP

Two men who asked for a carton of chocolate milk Monday left the School Street Grocery, 82 School street, with \$200 cash instead.

Clerk Louis J. Bozza, 224 Hazel avenue, was preparing to close the store when two young robbers walked in at 7:03 p.m. One went back to the refrigerator "to get a carton of milk" and the other stood by the counter.

The man near the counter then brandished a small pistol and emptied the register and so Bozza's wallet. The pair's escape route was unknown and police aren't sure if a car was used.

An employee of a nearby business firm said he saw the men enter the store and stated he could identify them.

McKeons Firm 3 St. Francis School Sites

School trustees Saturday sealed a \$716,475 package deal for three elementary school sites in the intended 2000-home St. Francis Heights subdivision.

Chris and George McKeon, the subdividers, agreed to sell a total of 38.7 acres for the new schools — M. Pauline Brown, Daniel Webster and Christopher Columbus.

Motion of the board accepting the McKeon asking price is subject to state approval. All the money for the sites comes from the state.

The Brown school site, first of the trio in the district's timetable, cost \$110,085, and does not include grading and improvements. These will be accomplished by the eventual contractor. For the two other sites the McKeon prices include grading and improvements, such (Continued on Page 2)

Up Benefits For Retired City Workers

City Council Monday night okayed two amendments to the State Employees' Retirement system, moves that will bring more dollars to former city employees and their survivors.

These percentage of pay increases will cost the city \$317,756 more annually. The increased allowances effective July 1 next year for already retired employees and additional survivor benefits would raise the new budget's total employee retirement outlay from \$50,985 to \$54,165, according to acting City Manager George Watts.

Young Waitress Eludes Would-Be Attackers Here

Katherine Grech, 20, a waitress, of 33 Shakespeare street, was struck on the cheek by a man who tried to force her into his car at the jitney terminal on Templeton and Mission streets at 4:30 a.m. Saturday. Miss Grech told police she was walking to Wilson and Mission streets when the two-door sedan pulled up beside her. A man with red hair, sitting opposite the driver, tried to force her into the vehicle. She almost broke away from him when the driver, wearing a charcoal sports coat, got out and held her.

Again she struggled to get free and the red-headed man struck her with his fist. She started screaming and the two men got in the car and drove off.

WHEN MINUTES COUNTED

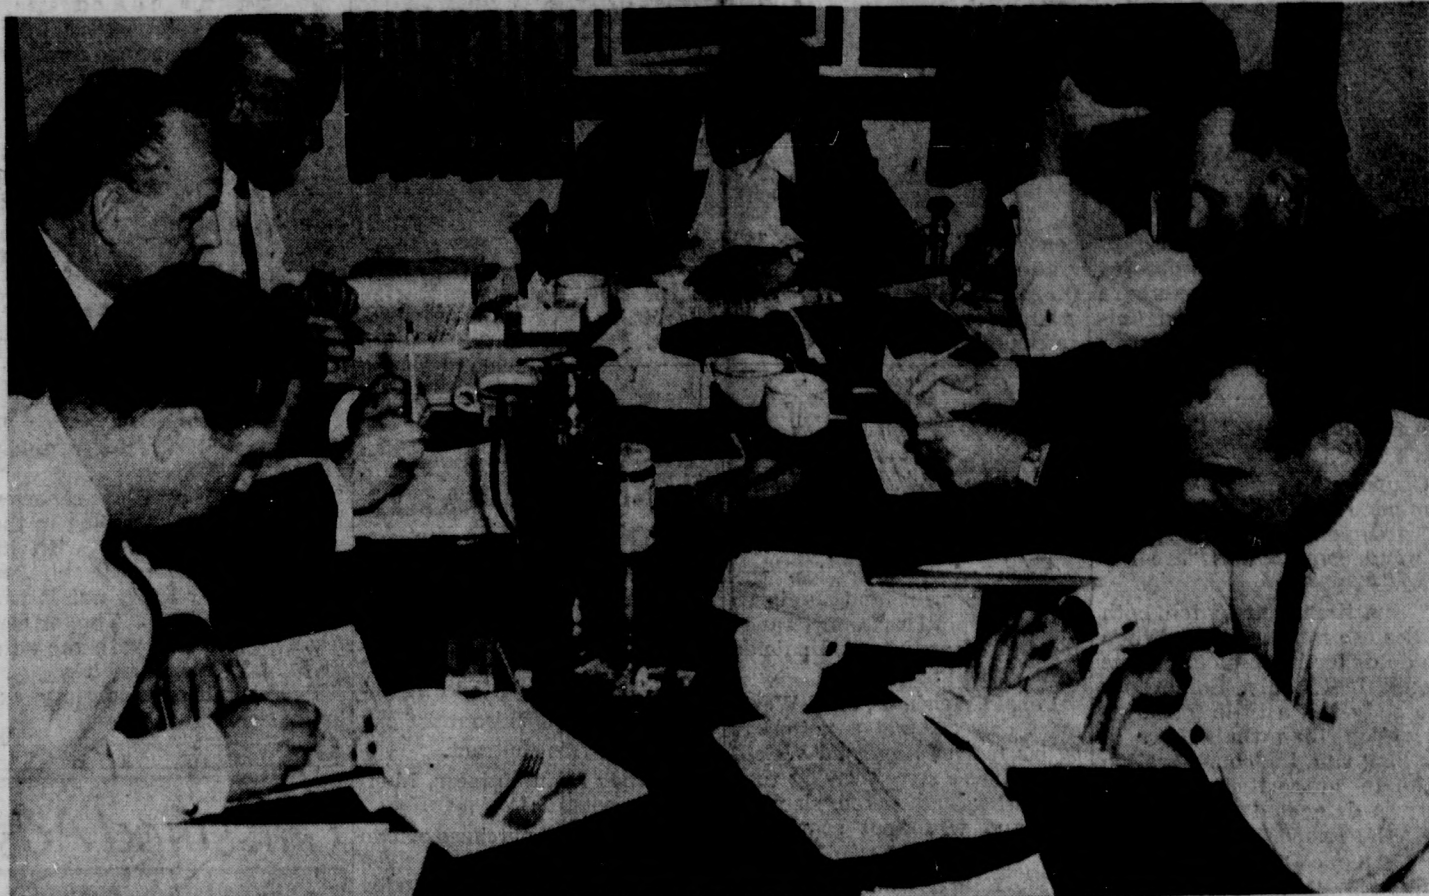

DC Couple Praise Chiropractor For Saving Infant Son's Life

A Daly City couple Thursday night credited a local chiropractor for saving the life of their two-year-old infant after they rushed the convulsion-stricken youth to his office.

Mr. and Mrs. Jack Welsh, of 331 Winchester street, rushed the infant, Carle, to Dr. Merle Roy Westmoreland, 6101 Mission street, when the couple decided that the extra minutes needed to reach a hospital might be fatal.

Dr. Westmoreland, who fortunately had opened his office for business earlier than usual, quickly breathed into the boy's mouth and brought him out of

JUHS Tax Rate Steady

Public hearing is scheduled next Monday night on the Jefferson High School District's new '58-'59 budget, which totals \$2,427,313—about \$180,000 higher than last school year.

The tax rate will stay approximately the same, according to Supt. Ed Morgan.

The session starts at 7:30 p.m. in the district office, 375 South Mayfair, second floor.

The district spent \$1,458,408 in '57-'58 and is budgeting this time for expenditures amounting to \$4,587,015.

SANCHEZ-ADOBE SITE

Select Linda Mar High School Land

By 3-2 vote, trustees Monday night designated the 39-acre Peralta-Adobe site for their planned fourth high school in Linda Mar.

If soil test borings meet state requirements, the school will be a split-campus affair, 10 of its acres located west of Peralta road.

This site was picked over two other suggested sites, the Picardo-Higgins property and the Bernardi-Russo land—each not as centrally located as Peralta-Adobe and removed more from the center of population.

After soil tests, the district will begin negotiations for the site with the nearby Catholic

Church and one major property owner.

Trustees Lyl Ingersoll and Coastsides Ray Whitney voted against Peralta-Adobe. They preferred the Picardo-Higgins property.

The board Monday night learned that the \$166,620 contract with Adams Arras Company for on-site work at Westmoor High is underway. Grading and completion of the lower athletic field head this job.

New bids for off-site work at Westmoor (perimeter streets, sidewalks, curbs and gutters) will be opened by the board August 8.

Miss Hannah L. Lobst was hired to replace Emily Robb on Westmoor High girls' physical education staff. Mrs. Robb resigned for maternity reasons.

Of this latter figure, about \$1,270,000 goes for personnel salaries and retirement. A cash balance of \$899,000 is on hand for '58-'59.

Next Monday's budget hearing will coincide with the regular meeting of the board. Items on the agenda include educational specifications for the two Pacifica high schools, final payment to contractor Theo Meyer for the Westmoor High project, discussion and review of textbooks for the new school year, and reviews by Principals John Mongan and Glenn South on the teachers handbook and the course of study at both schools.

\$300 Burglary On Bellevue

A radio, hi-fi records, jewelry and clothing valued at \$300, was stolen Saturday from the home of Harold Silvers, 99 Bellevue avenue, while he was at work.

Missing also was a laundry bag and white pillow case which the thieves apparently used to haul their loot. The investigating officer said that the burglars probably entered through an unlocked basement window.

Silvers, 48, said the raid took place between 8 a.m. and 5 p.m.

DALY CITY'S chief administrators and councilmen this week approved the preliminary draft of the '58-'59 budget which comes up for public hearing next month. Capital outlay projects will feature next Monday's umpteenth budget study session. Probing budget allocations above (left to right): Francis Pacelli, Public Works Director Otis Calhoun, acting City Manager George Watts, Mayor Michael DeBernardi, Bob St. Clair, Edward Dennis and Joseph Verducci.

Ray Ottoboni Again Named Mayor Of Colma

Colma town council last week unanimously appointed Ray Ottoboni mayor, filling the vacancy of John Newton, who died July 13.

Ottoboni, who operates a florist shop and nursery at 433 F street, was mayor of Colma in the late 1940's and has been on the council 12 years.

Wallace Honeywell, employee of Olivet Memorial Park, was named to the council to complete the five-member board. He resides at 621 F street and is the father of Jim and Wally Honeywell, Jefferson High graduates.

Honeywell's post on the Colma planning commission has been assumed by Fred Garbini, who lives on Hillside boulevard.

56-Cent Drop Seen; Sales Tax In Doubt

Daly City homeowners will have approximately \$17 hacked off their tax bills this fiscal year—if preliminary budget estimates hold true and sales tax continues through next June.

This was the capsule report of Acting City Manager George Watts Monday night as councilmen set the evening of August 4 for the '58-'59 capital outlay budget study—final hurdle in firming the new budget.

SIX BIDDERS SEEK MARKET STREET JOB

The City Council Monday night opened six bids for the major improvements job on Market street—a project that will bring the busy street up to standard and eliminate hazards to the safety of youngsters at Colma School.

Recommendations of the city manager and public works director will be presented to the council next week when the successful bidder will be chosen and work dates authorized.

The bids ranged from a low of \$92,684.75 to \$114,834.60.

Otis Calhoun, public works director, said his estimate on the project is about \$108,500. The Lagomarcino family and Crocker Estate, nearby property owners, will be required to share in the project, the city footing most of the cost.

The council Monday night formerly designated Market street a major street to qualify for gas tax funds from the state. The improvements to be made along the street include widening it, installation of curbs and sidewalks, drainage, and providing adequate parking facilities for the school.

COUNCIL SETS MARCHBANKS PARK 'EDICT'

City councilmen Monday night said they definitely would not approve any rezoning of the Marchbanks Park parking lot area that would be "detrimental to the operation of the park and its facilities for youngsters."

This motion, aired by Councilman Bob St. Clair and unanimously endorsed, came on the heels of the resignation of veteran parks-recreation commissioner Joseph Sarto, owner of the Villa Sanitarium.

Sarto's letter of resignation to the council, accepted "with (Continued on Page 2)

Watts, who said the exact tax rate won't be known until the new assessment rolls are received, estimates that by using sales tax funds the property tax will be reduced from \$1.48 per \$100 valuation to around 92 cents—a 56-cent cut.

Without sales tax, Watts explained, the fiscal '58-'59 budget—totaling \$1,478,268—would require a tax rate of \$1.50 per \$100.

The council in next week's study session will vote on a resolution asking that county supervisors put sales tax on the November election ballot for referendum decision of Daly City voters.

If the majority outcome in November is for repeal of sales tax, the ordinance won't be erased until the end of the current fiscal year, July 1, 1959. Thus homeowners here will realize a cut in their property taxes through June next year.

Sales tax was authorized in Daly City April 1 by split vote of the council. Mayor Michael DeBernardi and Councilmen Ed Dennis and Bob St. Clair believe that the people should be allowed to decide on sales tax here in November.

Councilmen Joe Verducci and Francis Pacelli helped to pass sales tax in February. The decisive vote was that of then-councilman Del Wilson, defeated for re-election. Heavy public protest against sales tax was forced when the council split enforced sales tax by the margin of one vote. Residents claim they were not given an opportunity to vote on the levy.

The present DC sales tax ordinance stipulates that sales tax returns be split, 50 percent (Continued on Page 2)

Yellow Cab Gets Official City Contract

Yellow Cab Company got formal city council sanction Monday night to exclusively operate "taxi service in Daly City."

The big cab firm, which bought out the assets of Hilltop Cab on June 24, will operate the same number of taxis, but has plans for adding six more cabs to its operation here.

Drivers of the Hilltop firm have been retained by Yellow Cab and will continue to work here.

Monday's motion accepting transfer of the cab permits contained a provision that the taxis must be painted yellow within 30 days.

Hilltop Cab was forced to sell out after a litigation suit, filed by one of its owners for dissolution of the partnership.

DC MAN, 37, UNEMPLOYED, HANGS HIMSELF

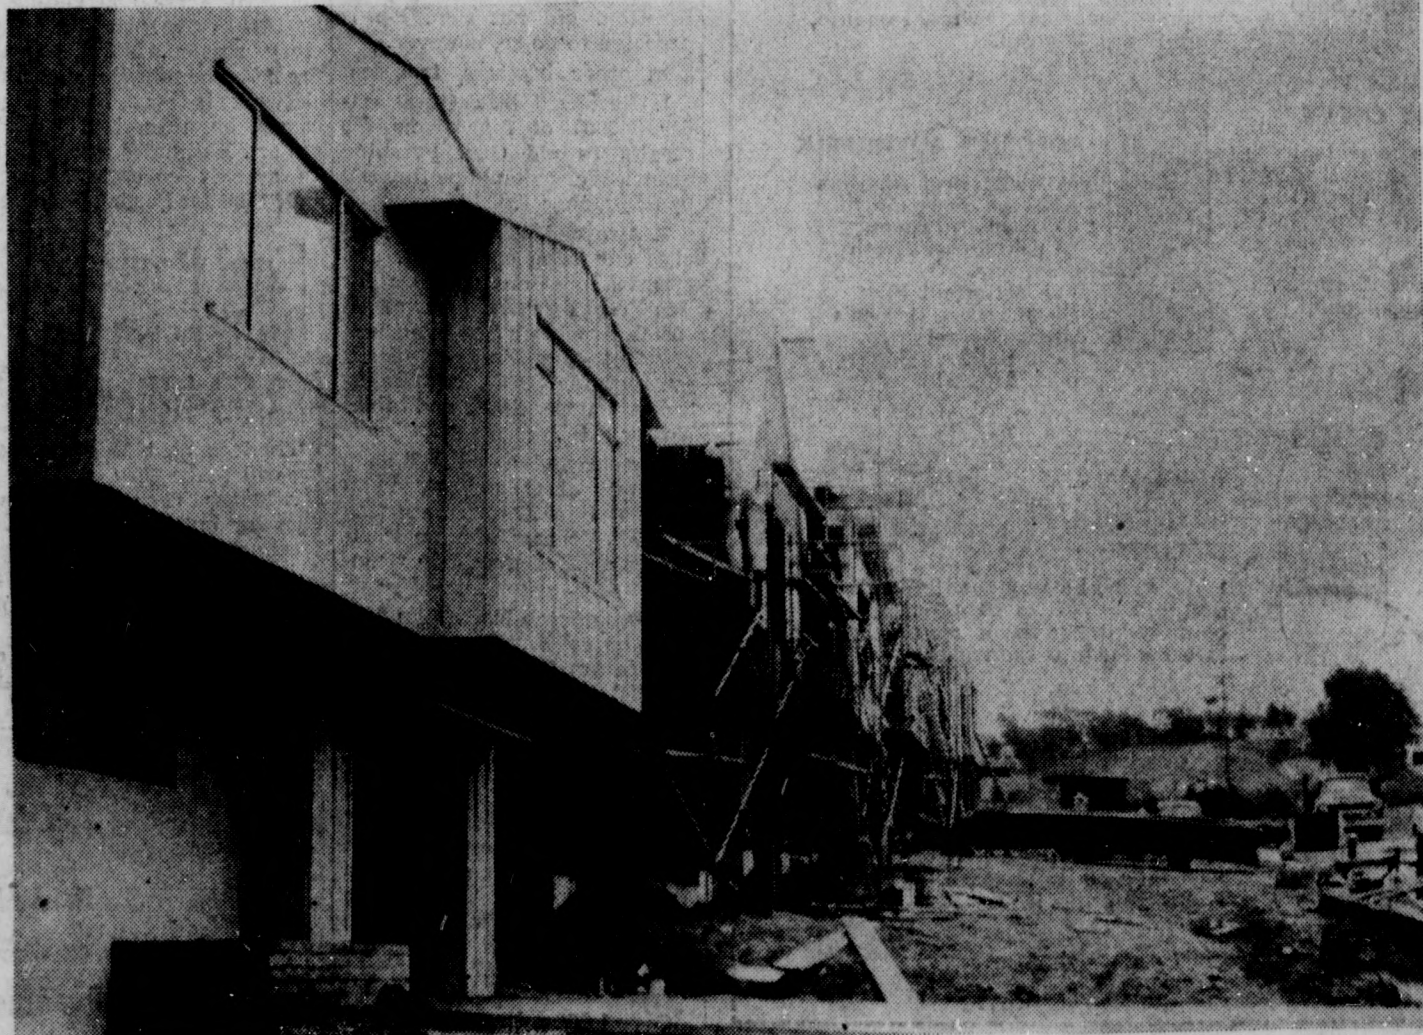

Howard S. Anderson, 37, of 67 Crocker avenue, reportedly committed suicide Monday by using a clothesline-type rope to hang himself in a bedroom at his home.

Police Captain Roy Beecher and Officer Art Linhares called an ambulance and cut the man down. Resuscitation efforts by the ambulance crew failed.

The police had received a call from the man's mother, Mrs. Anna Anderson, 65 Crocker avenue, who said she had seen him on the back porch earlier in the day. She told police Anderson had been out of work for about a month and had been drinking heavily of late. She said he also had been treated recently for a nervous condition.

The victim left this note: "Sorry, I can't take it no longer. Bye everyone."

St. Francis Takes Shape

DALY CITY population will rise heavily the next three years when Zita Corporation's development will populate 2000 more homes. The McKeon firm is building and grading at full speed as above scene shows.

as streets, curbs, gutters, et cetera.

The Webster site purchase amounts to \$297,600 and the Columbus site \$308,790. Both require heavy grading.

Supr. Henry Weibel said the total asked by the McKeons for the property "was well within the appraisal price," and he lauded the developers for their agreement.

Architect Mario Ciampi has drawn preliminary plans for the Brown school and bids may be ready for advertisement this December. The other schools will be constructed when the district becomes eligible for state funds on a student population basis.

The school board formed St. Francis Heights negotiations Saturday afternoon with the McKeons in a meeting at Ben Franklin school. All but trustee Michael Callan were present.

Earlier in the day, Weibel and the board inspected the St. Francis lands, other suggested sites south of the subdivision, then inspected Thornton School, old Gen. Pershing, Olympia and Jefferson.

regrets," was submitted, he said, in protest of alleged council lethargy in allowing the Southern Pacific-owned strip sold to a concrete contractor.

Sarto claimed the city fathers were "letting down the youngsters and destroying the city's only good park" by refusing to purchase the parking strip area from the railroad company.

The council explained that SP gave the city an opportunity to buy the land but the price was too high and that there was nothing it could do to prevent the sale to the concrete contractor.

Sarto last week said he learned that SP had sealed the deal, though Mayor Michael De Bernardi noted the council was not aware of the exchange of land until last Thursday's special study session.

First news of the concrete contractor's interest in the strip brought heavy protest of citizens at the recent planning commission meeting. Most of them live in the area around the park.

DeBernardi assured Sarto that the council has the final say on rezoning the unclassified parcel, and "our final decision depends on the type of operation the purchaser intends to launch there."

Sarto repeated his criticism of the council for "overriding the recommendation of the recreation commission that the city buy the property."

"What good are commissions, if our recommendations are cast aside. We feel you have pulled the rug out from under us on this Marchbanks Park deal," Sarto declared.

He concluded: "You'll find money spent for youth is an investment in good citizenship. Marchbanks Park is the city's only good facility, and I will not remain on the commission

COPS, FIREMEN ABORT SUICIDE TRY BY DC MAN

Quick work by police, the fire department and Junipero Serra Hospital personnel saved the life of an intended suicide here Monday.

Donald Welsh, 31, of 23 Westmoor drive, found a note left by his father, Raymond Welsh, 553 Hanover street, saying that the latter had taken sleeping pills and was "not scared to die."

The younger Welsh phoned police and Officer Al Nicolini found the Donald's father on the kitchen floor.

Firemen administered oxygen and then the despondent man was transported to Junipero Serra Hospital where a lavage was performed. Welsh was transferred to Community Hospital and a 72-hour "hold" placed on him for observation.

Trustees Ask State \$ For Bullis Land

Jefferson Elementary School District trustees last week moved to ask the state for \$7000 to purchase the abandoned Bullis family property on Bradley drive overlooking Vista Mar School.

Also tagged on to the request will be a provision for additional funds needed to stabilize the eroded slope.

The Bullis family filed a \$25,000 damage suit against the district and subdivided Henry Doelger after soil erosion forced them to abandon their home more than two years ago.

Since then, according to Dr. David Shapiro, elementary school district business superintendent, the Bullis property has been defaulted to an investment firm. The house has not been occupied since the family left.

Shapiro recommended that the district buy the property since he said funds to stabilize the slope and meet the Bullis damage claim are not available.

Dr. Vinton Stratton, district director of instruction, last week signed his new contract—two years at \$12,000 a year. Shapiro, also due a two-year extension at the same pay as Stratton, did not sign. He is expected to do so, however.

In other business, trustees: 1. Reviewed bids (total under \$2000) of four firms for repairs to old Gen. Pershing School. Work should be finished by September 1.

2. Awarded bids for art supplies and shop equipment, and awarded bids on furniture for Ben Franklin's seven new classrooms. American Seating company got the Franklin desks contract for \$8583, and Belier-Gunderson the chairs and tables bid for \$803.

3. Approved a general shop operation at Colma Intermediate and Ben Franklin starting this fall. Former program mostly consisted of woodshop training.

4. Designated North San Mateo County Insurance Agents Association to submit bids for the district's new liability coverage for '58-'59.

TRAFFIC FATALITIES

Traffic accidents in California killed 1,263 people during the first five months of this year, reports the National Automobile Club. That was a decrease of 5.9 per cent from the number killed during the same period of 1957.

Over 1,200 miles of the Alaska Highway from the United States to Fairbanks is gravel, reports the California State Automobile Association.

to reduce the ad valorem (property tax) and the other half to go for capital improvements.

The council is agreed that should sales tax lose at the polls, the levy should remain effective until the end of this fiscal year because of fund allocations—particularly for capital outlay projects—in the '58-'59 budget.

Watts said the council will sit as a board of equalization on August 11 to fix the tax rate—the date the city's new assessed value will be known. Shortly thereafter public hearing on the new budget will be called.

The new budget is almost \$60,000 higher than the '57-'58 total.

Across the board salary hikes for city employees, addition of new police and fire personnel, three new men for the engineering department, and approximately \$410,000 in capital outlay projects (library, civic center site, three parks sites, firehouses) headline the new budget.

Won't Dim lights So He's Arrested; Fails Sober Test

A \$500 bond bailed out Louis Berni, 38, of 217 Cuesta drive, South San Francisco, after he was arrested here for drunken driving Friday.

The arresting officer reported he saw Berni's car going in the opposite direction with its "high" lights on. He blinked the police car lights but Berni made no changes. The officer finally caught up with the auto at 6424 Mission street.

Berni failed a sobriety examination.

have begun by the North San Mateo County Sanitation District. The Crocker and Lagomarsino interests also must pay a share of this contract.

In other main business, Monday, the council:

1. Authorized purchase of two civil defense surplus gas-driven centrifugal pumps for standby service at the Westlake reservoir, costing about \$2000 in all, and saving the city \$3000 if it had to purchase new pumps, according to Calhoun.

2. Continued to August 7 study session discussion of recreation sites with Doelger company. Two of the sites are in the Palisades. City also seeks to buy seven acres south of Westmoor High School for a park.

3. Delegated city manager to work with library commission and citizens committee to immediately confer with McKeons for library facilities in Zita Corporation's St. Francis Heights proposed shopping center. Dr. Lionel Farber, library commission chairman, asked the council by letter to expedite this project and lauded the council for finalizing the Westlake Library site purchase.

4. Approved amendment to lease agreement with Doelger on present Westlake Library branch on Park Plaza drive. The facility has been expanded and the rent is higher, the lease expiring next February.

5. Passed resolution supporting fund drive to send Burlingame High School Orchestra to the World's Fair in Brussels.

6. Referred to city attorney for a ruling the rezoning request of Dr. Robert F. Gobar, 101 Wellington avenue, on two lots, from R-1 to C-1.

7. Referred to police department letter seeking 12-minute parking limit at Hillside Fish and Poultry, 6644 Mission street, asked by owner James Contos.

8. Granted renewal of business license to S & K Restaurant, 7384 Mission street.

9. Held over action on installing sidewalks on south side of Alemany into Westlake (from Junipero Serra and ending at Sheffield drive) pending budget study session. Police department recommends south-side sidewalk is best. State funds cannot be authorized for this project. Estimates are \$846 for an asphalt concrete sidewalk and \$1856 for Portland concrete.

Final Payment On Westmoor: \$2.5 Million

Trustees next Monday evening will make final payment to Contractor Theo Meyer and Sons for building ultra-modern Westmoor High School.

A check to the Meyer firm for \$4000 will complete a total outlay (to the contractor) of \$2,536,570 for the plant, designed by architect Mario Ciampi.

School-Serra Two-Car Crash Injures Four

Four persons were injured and one car totally demolished in an auto accident at School-Serra boulevard last Wednesday.

Charles MacDonald, 31, draftsman of 60 Lynnewood drive, posted a \$1000 bond for his release and will appear August 5 in court. Currently in Community Hospital with a fractured leg, he was arrested for drunken driving.

William Moler, 31, 820 Beechwood drive, told police he had the green light with him when his car was struck by MacDonald's car. MacDonald's brakes squealed, and claimed the MacDonald car was traveling in excess of 45 miles per hour. A witness corroborated his story.

Carnation Moler, his wife and his 6-year-old son were treated at Junipero Serra Hospital. Mrs. Moler sustained severe injuries in the accident and the boy was shaken up and complained of pain.

Moler's car was damaged beyond repair and MacDonald auto had major damages.

'SOS' FOLKS DID THEIR JOB

A margin of almost 800 votes Tuesday authorized a hefty tax increase for Jefferson Elementary District schools as residents once again continued the seldom-interrupted tradition here of supporting education to the hilt.

Victory at the polls in the "second try" balloting this week necessarily warrants words of praise for the Save-Our-Schools citizens' committee, headed by Arthur Huelse and Martin Orloff—two men defeated for trustee duty who refused to lose interest in the school system.

Never was a school campaign more organized and better conducted than the one initiated and followed through by Huelse and Orloff. A solid core of 250 earnest committee members labored long and loudly to convince fellow patrons that even though costly the tax increase was essential at this time.

Money spent for youth in any category can't help but be a good investment in the future.

We are happy to see that majority sentiment Tuesday was registered in the "yes" column.

KIP Workshop News

Jennifer Alban, newest singing KIPSTAR from San Francisco, will soon appear on the Moose Club "Search for Stars" program. Accordionist Richard Fenn, is also to appear on the Moose show.

Through an oversight the Blue Jacks were not listed among those KIPSTARS who wowed the audience at Rec Hall, Letterman Hospital, on the 21st.

Winston Manor Teens who have joined KIP: Darlene and JoAnn Pritchard and Tonya Miller, Mrs. Josie Brock, popular leader of the Teen Club No. 3, has thrown all their support in the direction of KIP, and both groups will work together.

The Blue Jacks played at the Winston Manor Teen dance at El Rancho School, following a demand performance at the NCO Club at the Presidio on the 25th.

The MEN'S CLUB of Our Lady of Perpetual Help Church invited the KIPSTARS to stage

the first of a series of variety shows on the 27th at OLPH School Hall. The proceeds are to go toward the purchase of a new organ for the Church.

Joe Di Maggio, chairman of the affair, is also a member of KIP's Board of Directors. Appearing on the show were: Jennifer Alban, The Kipettes, (Pat Murray, Luerra Stelling, Carol Lee Garbe, Dodi Arrell, Linda Garrett, Gail Wyman, Sally Bertucci, Darlene and JoAnn Pritchard), The Blue Jacks; Rich Fenn; Dennis Stahlman; Skipper Berta; Larson Bros.; Kathie Sallade; Cathy Cubic; Arlene Johnson; Diane Green; Anthony Miley. The show was MC'd by Talent Supervisor Donna Tillson.

KIP "KAR-WASH" is off to a flying start! Tickets are \$1 and includes entertainment! Date: August 23rd. So far, the Kipsters at Kiphaven in SSF are leading in ticket sales.

Maryanne Gibbons of Sunshine Gardens is working like a Trojan, bringing in new members.

BETHEL LUTHERAN CHURCH

Marilyn Hansen Exchanges Vows With J. L. Ellebrecht

Miss Marilyn Hansen became Mrs. James Louis Ellebrecht in a July 6 ceremony at Bethel Lutheran Church.

The bride lived at 112 Morningside drive and attended Westmoor High School, graduating this June. The groom is from Arkansas and is currently serving in the Air Force.

Marilyn wore a ballerina length white nylon gown and white shoes. Her veil consisted of a white bow and was of fingertip length. Her flowers

were carnations and Stefanotis.

Maid of honor was Helen Marie Leary and best man was Dale Slomp. A reception was held at the home of Mr. and Mrs. Raymond W. Hansen, with 150 guests attending.

The bride and groom will honeymoon in Arkansas where they will visit his parents. They will leave in August. The couple will establish their residence in Kentfield, California, where the groom is stationed. (Kaufman photo)

County's Fair-Fiesta Gets Underway Friday

Preparations are going full tilt at the fairgrounds for the opening of the twenty-fourth annual San Mateo County Fair and Floral Fiesta. The Fiesta's nine day run will begin this Friday at 5:30 p.m. and will continue daily thereafter from 10 a.m. to 10 p.m. through August 9.

Daly City "day" at the fair comes on the final day, Saturday, August 9, featuring city hall officials, Mary "Miss Daly City" Cunningham, and the Daly City municipal band, directed by George Brenner.

Fiesta officials are leaving nothing to chance in their efforts to have the new \$50,000 Home Arts Building completed in time. Four times the normal number of carpenters, electricians, contractors, plumbers, graders and other skilled workmen than are usually employed on a building of this size are laboring daily.

When finished, the 7000 square feet of Home Arts will house both senior and 4-H baked goods, food preparation and preservation and textiles. Organization exhibits of a complementary nature will also be included as space allows for Fiesta days.

Today in the neighboring Livestock Pavilion, 4-H boys and girls are wielding paint brushes to freshen the appearance of stalls and pens where their animals will soon be on display.

High above the floor in the great Hall of Flowers electricians are installing special lighting to illuminate the fairyland

of flowers and floating wonders (mobiles and hyperbolic paraboids) that will soon transform the vast, bare room. Already scaffolding is going into place for the ramps and waterfalls and trucks are weaving in and out dumping loads of dirt for model gardens.

Home and Industry is alive with initial steps in setting up commercial exhibits which include a complete house, garden and pool showing how to "Live Better Electrically."

Equipment is going into place in the Teenage Center and Kiddies' Korner. The Fine Arts room is being readied by volunteers of the Peninsula Art Association to display the works of San Mateo County artists.

From the Fiesta Bowl where entertainment headlines soon will perform, both amateurs and professionals will exhibit their gardening skills, the whole lively Fiesta is going into place.

Registrants Sign Sunday For Baptist Church Schooling

Vacation Church School will be conducted August 11-22, at Temple Baptist Church in Stonestown, under the direction of Miss Evelyn Breese, minister of christian education. All children from ages 3 through junior high age are invited to attend sessions from 9 a.m. to 12. Interested parents may register their children Sunday or August 10.

Fashions Make Bow At County Fair Monday

A pleasant interlude for staff visitors to the San Mateo County Fair and Floral Fiesta, will be a series of tea-time fashion shows to be inaugurated this year in the Fiesta Garden restaurant.

First in the series will be "Fall Fashion Fantasy" to be presented on Monday at 3 p.m. Fiesta dates are August 1 through 9.

Mrs. Florian McGuire Moore will coordinate and commentate the show. Fall's most advanced fashions will be modeled by volunteers from the San Mateo County Medical Society Women's Auxiliary. Serving in the modeling contingent will be Mrs. Ralph Behling and Linda Behling, Mrs. Roy Porta and Pam Porta, Mrs. Paul Blak and Sally Blak, Mrs. Richard McLaughlin, Jr., Mrs. Gordon Madding, Mrs. Eldred Barnes, Mrs. Stanton Sheimo, Mrs. Harry Ritter, Mrs. Allan Levy and Mrs. Richard Gonzales.

San Mateo downtown stores will participate. Not only are the exclusive furs and fashions to be paraded coming from these stores but also ten gift wrapped door prizes which will be given away during the tea hour.

BELLES and flowers galore will greet county Fair-goers, this Friday through August 9, in San Mateo. All set for the annual Floral Fiesta are three Peninsula queens (left to right): Corienne Campbell,

Miss San Carlos; Mary Cunningham, Miss Daly City, and the leading lady, Patricia Smith, "Fiesta Dream Girl." Miss Smith, a Westmoor High School student, also is Miss Pacifica.

'Good Neighbor' Anita Spinetti Ends Training

Mrs. Anita Spinetti of Daly City has completed a course of training here for the position of Welcome Wagon Hostess which she now holds in this community.

Mrs. Spinetti resides at 57 Muirwood drive and is one of Welcome Wagon's more than 6000 hostesses who are making approximately a million calls annually on families in the United States, Hawaii and in the Provinces of Canada, embracing more than 2000 cities.

These calls on behalf of Welcome Wagon's more than 60,000 sponsors are made on such important family occasions as the birth of a baby, sixteenth birthdays, engagement announcements; also when families move locally in a community and when they arrive in a community as new residents. Calls are also made on special occasions such as golden wedding anniversaries and other special family events. At present we will be making calls on newcomers and people who change their residence within Daly City.

Thomas W. Briggs, formerly of Memphis, Tennessee, is Founder and President of Welcome Wagon, which is now in its 30th year.

Often referred to as a service which is "in the business of building friendships", Welcome Wagon's basic policy includes cooperation with churches of all faiths, with worthwhile civic and welfare groups; also participation in these activities which keep communities good places in which to live. It is significant that Welcome Wagon has been cited for its volunteer service and achievement in community and nation by such organizations as the American Red Cross, National Foundation for Infantile Paralysis, American Heart Association, American Heritage Foundation, United States Treasury Department and many other such groups.

Kids' Softball Slowed By Wet Weather

Three games were played in the Daly City Recreation Department's softball league last week despite wet weather which cancelled much of the action.

Rick Amstutz homered to lead Westlake Park to a 4-2 victory over Crocker School Playground, and Frankfurt Playground eked out a 3-2 win over Marchbanks in "A" section tiffs. Eddie Larios knocked in Bob Miller with the winning run in the latter contest.

Brisbane Trustees Set Budget Meet

Brisbane Elementary School Board will hold public hearing on the '58-'59 budget and a regular meeting next Monday night, beginning at 8 p.m. in Brisbane Elementary School.

Michael Nagy is new chairman of the board, Margaret Galten the new clerk.

William M. Young Gets Law Degree

William M. Young of Daly City is one of 2 students who have been certified for degrees by Hastings College of Law.

COUNTY FAIR AGAIN INCLUDES 'HOUND DOGS'

A rollicking annual event of the San Mateo County Fair and Floral Fiesta is the Kiddies' Hound Dog show, sponsored by the San Mateo and Burlingame Optimists' clubs.

Again this year the event will take place on the Fiesta's closing Saturday, August 9, at 2 p.m.

Open to any dog, young or old, of uncertain lineage or aristocratic pretensions providing the owner is a boy or girl under 15 years of age, the occasion offers special prizes for a wide variety of traits and eccentricities.

Rules of entry and entry blanks may be secured at the Fiesta office, at the Department of Motor Vehicles, San Mateo, or at Sidlow Motors, San Bruno.

Mercy Student Wins National Poetry Award

Helen Vargas, Mercy High School student will receive a \$50 check for winning second place honors in Division 3 of the National Poetry Contest of the Catholic Daughters of America in Omaha, Nebraska, last week.

Miss Vargas won top local and state honors before her poem, "Death," earned more distinction at the national convention. She will receive the \$50 check at the state district meeting in September.

Court St. Mary's committee members who first evaluated Miss Vargas' poem were Mrs. William Campbell, Mrs. Thomas Baldwin and Mrs. Arthur Dikas.

Forney-Banfield Marriage License

Misplaced type last week caused THE RECORD staff and two newlyweds to blush a full shade of crimson.

The Marriage License listing for Frank Forney, Jr. and Darlene Banfield of Daly City erroneously was included in the "New Arrivals" column.

The newspaper regrets the error.

Letters To The Editor

Snell PTA Prexy Cites Coverage

Dear Mr. Bradshaw: Many thanks to you for your continuing cooperation in publishing the affairs of the summer recreation program.

Especially we are grateful for the space given to the Broadmoor area, for this is where we of the James L. Snell PTA are so directly concerned.

Our many avid Westlake Times and Daly City Record readers depend on your publications for reliable, readable and current information.

Again, for your many deeply appreciated journalistic services and kindnesses, we thank you.

Sincerely,

The Town Record

By Roy Harbert

Big BOB ST. CLAIR, Daly City's energetic first-year councilman, was tackled by Russian River police this week.

Camping out briefly with the missus and the four wee ones, robust Robert decided to "work out" in sweat clothes by running up and down the nearby mountain.

A few neighbors got frightened when they heard the 275-pounder thunder by. They called the bulls.

After explaining that he was just getting some pre-49er camp exercises, St. Clair convinced the gendarmes who he was and they excused themselves—with apologies.

The Westlake captain of the 49ers, incidentally, is being hounded for tickets to Kezar games. Bob would like to give them out by the carloads. But it can't be done.

Each 49er only gets a few seats for friends. The SF pros have sold 34,000 season tickets so far. Need we say more?

City Attorney PAUL HUFF shuffled off to Buffalo last week, though he's no vaudevillian by any stretch of the type-writer. The former Marine combat vet flew East to give away his sister. She got hitched.

Ensign RONALD CALHOUN, son of city Public Works Director OTIS CALHOUN, will visit mom and dad this Thursday. He's on the aircraft carrier HORNET, due for drydock at Bremerton. Young Calhoun, UCLA graduate, is accompanied by his bride of six months, a Bruin coed.

Mighty happy to hear of the Annapolis appointment for Colma's Jim Honeywell, one of Jeff High's finest graduates.

Like PAT MCCOOL and BOB GRUBB, and a few others, Jim will be a credit to Uncle Sam's Navy. Daly City fans should keep their eyes on this potential All-American.

Recent comment by a construction worker at one of the new schools—way behind schedule—sums up some of the feeling about lavish architectural plants that take oh-so-long to complete.

Said the man: "Lot of money wasted in design. Sure could save time if they'd build schools simply—without all these fancy features."

Our chief scout, police officer AL NICOLINI and his wife inform that Las Vegas is still the greatest. They just returned.

Off we go Friday night for the Nevada state. After a few capers on the dance floor and in the pool, we'll continue on to Los Angeles to view the Great Wall of China (left field fence in Dodger ball park).

Amen . . . for two weeks.

'Workshop' Has Openings For Crippled Folks

Dr. William A. Key, president of the San Mateo County Society for Crippled Children and Adults, announced today that there are openings for both moderately and severely physically handicapped individuals, 16 years and older, in the Sheltered Workshop. It is operated in the Rehabilitation and Research Center supported by the annual Easter Seal Drive.

The Sheltered Workshop is equipped with power and hand tools to do sub-contract work for Peninsula industry and to do craft work. The trainees in the workshop have the advantage of using the center's own bus for transportation to and from their homes in San Mateo County.

Visits to the Sheltered Workshop and inquiries are invited. It is centrally located for all Peninsulans at 1764 Marco Polo Way, Burlingame, in the Mills Estate section west of the highway, behind Peninsula Hospital.

Stock Car '500' Set At Belmont Saturday Night

Stock car racing comes to Belmont Stadium this Saturday night, when a special 500-lap NASCAR championship race for early model stock cars and convertibles holds the spotlight at the Peninsula track.

Bob Barkhimer, western regional director of NASCAR, and Ted Smythe, general manager of Belmont, expect the July 26 event to be one of the highlights of the 1958 auto racing season in Northern California.

The coming race marks the first 500-lap championship race ever held in the Far West for this popular new division of racing vehicles. Payoff to the drivers will be in excess of \$2500.

Barkhimer and Smythe anticipate entries from all of California, plus other western states.

Schools Seek Greyhound Bus Contract

Greyhound Lines is negotiating with Daly City's two school districts (elementary and high school) for a bus transportation contract to begin this September.

The school districts are on the verge of firming the joint-use deal, which their spokesmen say will represent a substantial saving in transportation costs and yet provide better service.

The pact with Greyhound, as drafted thus far, will cut down transportation from the present \$38 to around \$8.75 per bus per day for each district.

The elementary school board, according to Dr. David Shapiro, has okayed the contract. High school trustees will decide next Monday.

Shapiro said the elementary district's regular buses would be used for special class trips and other such projects.

High School Supt. Ed. Morgan said that under the Greyhound tieup, his district's fleet of buses would be utilized for similar special events and would supplement the Greyhound service, if need be.

DC Police Arrest Rigger Whose Car Hit 'Something'

John Alexander, 37, a rigger, of 219 Liberty street, San Francisco, was arrested last week for drunken driving after Daly City police noticed him driving with only one headlight and the right side of his car so badly damaged that its rattling could be heard a block away.

He was stopped at Mission and Market streets while going at an "excessive rate of speed," Alexander said he had hit a tree in San Mateo, but the arresting officer noted the white paint on the fender and believes the man may have struck a pole.

Local police are checking with San Mateo officers to see what was struck, while Alexander awaits a court appearance.

Teamster Arrested For Drunk Driving On Mission Street

Timothy J. Guiney, 35, of 336 Chester street, was arrested by Daly City police for drunk driving Tuesday after he was stopped at 6055 Mission street.

A teamster, Guiney was in the cab of his 1955 model truck which was swerving from lane to lane and went through an arterial stop sign, according to the arresting officer.

Guiney is due in municipal court August 14. He was released on \$500 bond.

Mayors Meet In San Bruno On Serra Route

In the wake of the State Highway Commissions' adoption of the Junipero Serra Freeway route, State Assemblyman Louis Francis has called a meeting of the Mayors' Legislative Council for next Tuesday evening, August 5, at San Bruno City Hall.

Francis, who organized the council of mayors in the 25th State Assembly District in 1956 to solve the problems and coordinate the needs of the cities in his district, said that the main item on the agenda will be to review the report and finds of the State Highway Commission relative to the location of Junipero Serra Freeway.

It is expected that the council will reach a decision at this meeting for any future concerted action. Many suggestions have been made, particularly by representatives of the cities of Millbrae, Hillsborough, and Woodside, for necessary changes to preserve values and to prevent unnecessary destruction of homes.

One of the major suggestions is the construction of a parkway type of freeway with extensive landscaping where the freeway by-passes residential areas of cities. Other suggestions include the depression of the highway, particularly at planned interchanges, and changes in the location of the adopted route 100 feet west in certain areas.

Peanut Factory Inspected By Brisbane Scouts

Brisbane Girl Scout Troops 64 and 261 toured Planters Peanut Plant in San Francisco last week.

The tour was conducted by S. Hotckisson and assisted by Mrs. Russo. Hotckisson showed the girls the different phases of processing the peanuts before they are sent to retailers.

Mrs. Ruth Wooden, leader of Girl Scout Troop 64, was accompanied by Mrs. Dorothy Dettmer, co-leader.

Mrs. Jack Bash, leader of Girl Scout Troop 261, was accompanied by Mrs. Manuel Linares, co-leader.

Transportation for the troops was furnished by Mrs. Wooden. Mrs. Robert Spencer, Mrs. Dorothy Dettmer and Mrs. Jack Bash.

Joy Ride Doesn't Last Too Long

A Jefferson High school freshman got off easy this week after he "borrowed" a car from the Farmer Jones' Used Car Lot Saturday night and took three pals for a ride.

Daly City police, who spotted the caper from the start, finally halted the youth at San Pedro road and Mission.

The driver and his buddies were released to their parents after officers duly recorded their names in the juvenile delinquency file.

TV and Radio

KQED Brightens Summer TV — Summer doldrums (appropriately defined by the dictionary as "dullness or low spirits") seems to be a current disease afflicting most television stations. In the midst of the summer letdown, KQED is going right ahead introducing more new programs and keeping local television alive in San Francisco. While most stations seemed filled with an endless procession of panel and quiz shows, and re-runs of films, KQED is presenting such varied new programs as the San Francisco Contemporary Dancers alternating with dramatic readings by actors of the Bay Area's theater groups on Fridays at 9 p.m. For those interested in international affairs, "What the Russians Are Told" made its premiere over the station last week (Wed. 10 p.m.) with host William Mandel, often called "the expert's expert on Russia," translating current articles in the Russian press and periodicals. Also on Wednesday evening at 8 p.m., another new "live" show, "Safely at Sea," and eight-week series on precautions to prevent accidents on the water with actual boats on hand for demonstrations, recently made its debut. For the tricycle set, the award-winning series "Hop, Skip and Dance" (Wed. 6 p.m.) returned to Channel 9.

We have only covered a few of the many fine new programs available on your community channel, but don't take our word for it. Try turning daily to the station for a week, and we think you will be both surprised and pleased at the interesting and varied programs offered. If you wish a sample copy of their monthly program schedule with a complete listing of shows as well as news briefs concerning the program, address KQED, 525 Fourth St., San Francisco.

CBS Drama — Last week we watched the U. S. Steel Hour over CBS-KPIX in a "live" drama "Flint and Fire" with Robert Culp, star of CBS's "Trackdown." Having recently met and talked with Mr. Culp we were anxious to watch him in a dramatic "live" production. When we met him, we found him to be a most earnest young man, very serious about his career. He certainly proved himself to be a versatile and sensitive actor in the fine CBS drama.

Mario Lanza apparently appeals to all types of music lovers.

A thief entered the home of Arthur. Reynor, 680 Niantic avenue, Friday, and besides tak-

ing \$90 from a safe-type bank and two bottles of whiskey, the invader made off with 16 long-playing records.

Reynor, visiting relatives in San Francisco at the time of the entry, placed value on the stolen objects at \$45.

Vacation Tips
On What To Do

Carefree miles on the road can depend on your peace-of-mind about things back home, says the California State Automobile Association.

That sudden remembrance of things perhaps forgotten—"Did I turn off the gas?"—"Did I cancel the milk delivery?"—can be avoided by using the following AAA check list:

1. Be sure all exterior doors and windows have been locked.
2. Leave window shades only part way down.
3. Remove perishable foods from refrigerator.

4. Turn off refrigerator and other utilities.

5. Store lawn tools and patio furniture in safe place.

6. Arrange for mail to be picked up or forwarded.

7. Notify milkman and paper boy to stop deliveries.

8. Arrange for proper care of pets.

9. Make sure you have car registration and valid driver license with correct address on them.

10. Check expiration date on automobile insurance and other policies.

11. Leave copy of itinerary and automobile license number with neighbor for use in emergencies.

Crocker Kids Wow Leader With Art Work

Recreation leader Bob Sexton at Crocker School Playground reports that a wave of artistic skills has hit his site during the past week. Awards were presented to Josephine Devlin, Diane Massei, Nora Valencia and Donna Lee for outstanding creativeness with the use of colors in the Crocker "Color-Rama."

Connie Eames, manager of the Class A softball team, has also demonstrated his skill at art by drawing caricatures of each softball player. They are on display in the game room.

Leather key cases, book marks and other articles were the arts and crafts projects during the past week. Weaving is on the agenda this week.

Frankfort Playground and War Memorial Community Center joined forces for an outing at Golden Gate Park. Laura Figone, Rich Henry, Arlene McDonald, Estelle Landau and Karen White were members of the party.

Frankfort Playground reports that Steve Willis defeated Bon Tempi to capture the carrom tournament while Alice Christian won the tetherball tourney.

Tournaments are also in force at Edgewood Playground. Champions are as follows: paddle pool—Jim Caruso, Judy Reed, Neil Murray. Checkers—Vickie Alvarez, Tina Enberg, Al Banchus. Ping pong and tetherball are on the slate for next week.

Picture books for younger children and stories from Jamaica for the older ones were on the program for story-telling last week.

Ralph's, Lagomarsino Softballers In Clutch Battle For Pennant

Ralph's Cleaners kept their record unblemished last week as they hit the homestretch in the Adult Softball League, sponsored by the Daly City Department of Parks and Recreation.

Ralph's turned in a 19-7 triumph over the Coastside Sea Lions, with Ralph Torigian leading his club at bat with 3 for 4. G. Cook lead the losers at the plate with 2 for 2.

In other games, Daly City Drugs defeated Stumble Inn, 18-1. Stumble Inn got only 6 hits off chucker Al Lamas, while his teammates were getting 14. T. Curtan hit 3 for 3 for the winners.

Daly City Eagles and the No Names fought to a 13-13

deadlock, the game called because of darkness. The tilt will not be rescheduled unless it has a direct bearing on league standings.

The gigantic battle for first place and what could be the league decider—is this Thursday night at Westlake Park. Game time is 6:30 p.m., with Ralph's and the Lagomarsino

Trout Planting Due Next Week

No plantings of catchable sized trout are scheduled in the coastal counties this week. Extra scheduled plants are set for August 5-8, and will be announced in next week's regular regional trout planting press release.
